These courses are very challenging and require dedication from students as extensive reading assignments are assigned and daily study is required.

Pre AP & AP Classes in Science

Course	Recommended Prerequisite	Information	Out of School Time Commitment	Grading Policy
Pre-AP Chemistry	Pre-AP geometry or Algebra II		Nightly homework	60% tests/projects 40% quizzes/daily
Pre-AP Biology			Minimum 5 outside of class projects and nightly reading	60% tests/projects 40% quizzes/daily
Pre-AP Physics	Algebra II Pre- AP Biology and Pre-AP Chemistry		Online homework Outside of class building projects and labs	60% tests/projects 40% quizzes/daily
AP Biology	Pre-AP Biology and Pre-AP Chemistry	Independent lab work required.	30-45 min of homework per night	75% tests/projects 25% quizzes/daily
AP Chemistry	Algebra II and Pre-AP Chemistry	↓	30-45 min of homework per night	75% tests/projects 25% quizzes/daily
AP Physics	Pre-Calculus (may be concurrent) and Pre-AP Physics	↓	45 min- 1 hour of homework per night	75% tests/projects 25% quizzes/daily

Pre-AP & AP Classes in World Languages

Course	Recommended Prerequisite	Information	Out of School Time Commitment	Grading Policy
Language level I				
Language level II	Language level I 80+ average in Level I recommended			
Pre-AP Language level III	Language level II 90+ average in level II recommended		30 min of homework and study per night	
AP Language level IV	Language level III 90+ average in level III recommended	Students may take the College Board AP language test after level IV or V.	30-45 min of homework and study per night	
AP Language level V		Student success is increased the more exposure the student has to the language.	30-45 min of homework and study per night	

Flower Mound High school offers Spanish, French, German, and Latin. American Sign Language is offered at Dale Jackson.
