

Dear Student:

Because you took the PSAT/NMSQT in October, you have **FREE** access to My College QuickStart™, a free online personalized planning kit based on your test results. QuickStart will enable you to take the next steps towards college with these unique features:

- An online score report including projected SAT score ranges, state percentiles, and the power to sort answer explanations by difficulty and by question type
- A **customized SAT study plan**
- Personalized lists of colleges, majors, and careers
- Access to MyRoad™ - a college, majors, and careers exploration tool.

**You will have online access to My College QuickStart until you graduate high school.**

As part of My College QuickStart, you get access to MyRoad to help you plan your future in a productive and engaging way:

- **I.D. Me** offers you the opportunity to take interest assessments and a personality-type assessment to learn more about yourself, your interests and strengths, and the college majors and careers that may suit you.
- **Explore Majors** contains in-depth profiles of sixty-seven academic fields, representing 175 instructional programs. Each profile offers an overview of the major, an outline of the typical academic path to fulfilling the major, popular careers related to the major, and perspectives from real students studying in their respective fields.
- **Find a College** offers comprehensive college search tools which you can use to search for colleges and universities.
- **Research Careers** consists of an array of career articles--covering over 450 occupations-- arranged by industry. Each article provides detailed information about the requirements for working in that career, the typical compensation, possibilities for advancement, and real people working in that career.

- **My Plan** is a personalized area for you to record, track, and manage your information --such as courses taken, jobs held, and activities in which you have participated. You can also track your interests and goals and keep a journal that chronicles your progress during this exciting time.
- **Insights** is an online magazine with rotating content bringing to life the educational and career paths that individuals choose and the subjects currently debated across the disciplines.

Visit [www.collegeboard.com/psatextra](http://www.collegeboard.com/psatextra) to register for My College QuickStart by entering the access code printed on the right corner of your official PSAT/NMSQT paper score report and some identifying information. We hope you will take advantage of this exciting, beneficial tool.

Sincerely,

FMHS English and Math Departments
